*« Les Darons » (meaning fathers) is a wine which is representative of western Languedoc: the most southern wine region in France, based mainly on Grenache planted on clay and limestone soils.*

**Appellation:** AOP Languedoc

**Vintage:** 2023

**Alcohol:** 14.5%

**Grape varieties:** 70% Grenache / 20% Syrah / 10% Carignan

**Terroir:** 35% Corbières, 30% Vallée de l'Agly, 20% Clape, 15% Saint-Chinian / Clay and limestone / Mediterranean climate.

**Vinification methods:** Majority of manuel harvesting, destemmed and crushed, vinified in concrete and stainless steel tanks.

We follow each of the different vinifications, and assemble on each site where the wine is matured.

**Maturing:** In tanks.

## **Tasting notes:**

Deep red with glints of purple.

Hints of red fruit yoghurts, and with aeration fruits such as plums, blueberries and blackberries combined with cinnamon and white pepper spices.

Combines amplitude and stress with a dense and silky matter. Mature tannins which easily pass thanks to the fruit and its freshness.

Powerful, full-bodied and luscious with numerous but not over-bearing spices finishing with menthol resinous notes.

## **Pairing:**

For everyday cuisine, and the magnum for the weekends...

## **Recommendations:**

Serve between 15 and 18°C

Aging potential: At least 8 years.
