

# by Jeff Carrel Les Herbes Hautes

« *Les Herbes Hautes* » (or “tall grass”) is the spring awakening in the natural biotope of the vines.

**Appellation:** AOP Corbières (Organic)

**Vintage:** 2019

**Alcohol:** 14%

**Grape varieties:** 65% Grenache / 20% Carignan / 15% Syrah

**Terroir:** Clay & limestone.

**Vines:** Average of 3500 vine roots per hectare / Grenache and Carignan pruned in Goblet form / Low yield of approximately 35hl per ha / Vines over 50 years old / Cultivated in organic conditions.

**Vinification methods:** Grapes are destemmed and assembled before fermentation.

**Maturing:** In tanks with lees / Varieties matured separately.

**Tasting notes:**

Transparent garnet-red.

Delicate and intense notes of kirsch, raspberries, plums and spices.

Pure, elegant, full of finesse, with this essence which brings tension to the wine, firstly silky before gaining in density and power. The after-taste is again full of freshness thanks to resinous notes of cistus, eucalyptus and menthol.

**Pairing:**

Perfect to accompany lamb (rosé rather than confit), but should accommodate to a number of southern specialties.

**Recommendations:**

Serve at 15°C

Aging potential: 5 years
