**Terroir:** +30 year old vines / 5,8ha of Chardonnay in one single plot / Bottom of the slopes are siliceous-siliceous-clay and the top of the slopes are calcareous marl soil.

Vines: On average 4400 vine roots per hectare / Yield 65 hl/ha.

**Vinification methods:** Mechanical harvesting / Directly pressed / Juices settled by floating nitrogen / Vinfication without sulphites Natural yeasts / 100% malolactic fermentation.

Maturing: In stainless steel tanks on lees.

## Tasting notes:

Pale and brilliant gold.

An expressive nose of ripe pears, melons and a slight touch of hazelnuts.

An explosion of freshness with a round and crispy matter. The end taste is tonic, combining a fine chalky astringency with a noble bitterness of citrus, sage and pomelo rind.

## Pairing:

Perfect for appetizers, seafood, fish and poultry.

## **Recommendations:**

Serve between 10 and 12°C Aging potential: At least 5 years.
