Super Mule Rouge

« If the *Vieille Mule* isn't enough for you, and if the end of your evening is missing a bit of swing, *Super Mule* to the rescue! »

"If you are lacking wine, you are lacking everything."

Dicton latin.

Appellation: IGP Côtes Catalanes

Vintage: 2020

Alcohol: 15%

Grape varieties: 100% Super Grenache

Terroir: On black marl, clay-schistose scree, called « les Pierres Noires » (black stones) / Mediterranean climate, 25km from the sea.

Vines: Over 30 years old / Density of plantation between 3300 and 4000 roots per ha / Pruned dependant on the vintage / Low yield of approximately 27hl/ha.

Vinification methods: Manual harvesting, destemmed and crushed / Cold fermentation / Finished with hot maceration / Juices and pressed matters are assembled together.

Maturing: In wooden tanks.

Tasting notes:

Deep crimson.

Fruits (tomatoes,...) and spices (balsamic,...).

Cherry kirsch, wild herbs, liquorice, exotic spices.

Medium bodied and voluptuous with a slight pearly effect which gives a light and airy side to the wine (airy is perhaps pushing it a bit), but in any case greedy!

Pairing:

Mixed grills, red and white meats...

Recommendations:

Serve at 13°C

Aging potential: 4 to 5 years
