Vinification methods: Mechanical harvesting at night / Grapes harvested at optimal maturity / Directly pressed / Filtered cold / Fermentation at 25°C / 78% malolactic fermentation.

Maturing: On lees for 2 months.

Tasting notes:

Light saumon colour.

Fruity, with hints of melon, peaches, strawberries and spring flowers.

A simple wine and easy to drink, with fresh sharp notes of cherries and strawberries for a light, soft and simple touch on the palate. A juicy, lively but pure aftertaste with an agreeable and well-balanced acidity.

Pairing:

Perfect with summer meals such as tabboulet, mixed grills, pizzas...

Recommendations:

Serve between 10 and 12°C

Aging potential: 2 years
